

Welcome! Test your sound connection first. Your video will be put on OFF.

You can select a full screen view under the three dots options. Or leave when you choose 😊

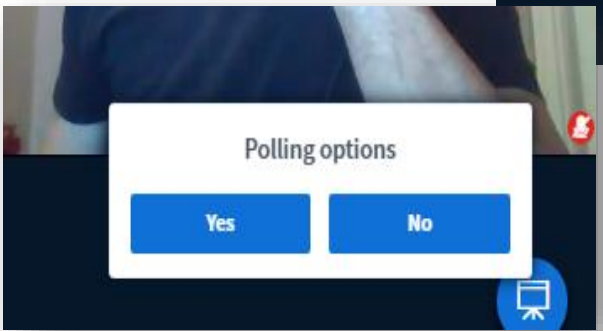

Person icon with an arrow opens the list of participants (users) and by clicking on the Public Chat, you will open or close the chat.

Four arrows enlarge the shared screen documents for viewing.

A Double Arrow between the gallery & the shared screen helps you adjust the size of the two parts of the window.

You will **vote** on motions during the AGM through the polling options!

If we break into Breakout rooms, it will take a few seconds to join or leave a room. You will know how much time is left in the room as it is displayed on the top banner.
