Organization	Watsa Basketball Camps at Hidden Acres
Description	Each morning you'll hone your skills through our unique skill development stations. You'll learn to read your defender, pass creatively, handle the ball against pressure, attack the basket with the right finishing move, and get your shot off against quicker players. Each afternoon you'll have the chance to put these new skills into practice in

	your league games. During breaks from the court, you can relax and enjoy swimming, canoeing, beach volleyball and the climbing wall. Each evening we're back on the court for competitions, coaches' games and nightly all-star games.

Organization	Quantum Cryptography School for Young Students – University of Waterloo
Description	The Quantum Cryptography School for Young Students (QCSYS) is a unique, week-long enrichment program for students hosted by the Institute for Quantum Computing at the University of Waterloo. The school offers an interesting blend of lectures, hands-on experiments and group work focused on quantum cryptography — a cutting-edge field that utilizes the fascinating laws of quantum mechanics to develop unbreakable encryption that protects communication.
Location	All students, including those from the Waterloo region, stay in a university residence with QCSYS chaperones.
Date/Time	August 11-15
Price	There is no fee to attend QCSYS. Students are responsible to pay their travel to Waterloo and back home. Travel support can be applied for on the QCSYS application. Application and reference letter required.
Age	Students in grades 11 or 12 (or equivalent), exceptional grade 10 students may be accepted space permitting. Age 15 or older.
Registration	Applications are due March 31 at 5pm. Late applications will not be accepted. Reference letter is required.
Contact	iqc.qcsys@uwaterloo.ca
Notes	<ul style="list-style-type: none"> Enrolled in or have completed grade 11 mathematics or higher (grade 11 physics is recommended but not mandatory) Fluent in English

Organization	Southwestern Ontario Suzuki Institute
Description	SOSI is an annual six-day learning holiday for junior to advanced students, their parents, and teachers. Student programs in violin, viola, cello, and piano include private lessons, group activities (repertoire classes, reading ensemble classes, or orchestra), enrichment classes, exciting optional classes, play-ins, and concerts. Our Mini-Institute provides a taste of the Institute to our younger first-time registrants who would like a half-day schedule. Our Suzuki Early Childhood Education program offers classes for infants to age three. SOSI's Young Artist Program for violin, cello, and piano provides instruction in a setting that moves towards traditional music college/university instruction while maintaining roots in Suzuki philosophy and pedagogy.
Location	Wilfrid Laurier University 75 University Ave. W., Waterloo
Date/Time	August 10-August 15
Price	Fees vary according to program. See details at: https://suzukiassociation.org/events/loc/southwestern-ontario-suzuki-institute/
